

CREATE YOUR WORLD

Imagine you can transport yourself into a game world. On a separate piece of paper, create your imagined world. Draw the setting (castles, jungle, etc.) Draw your avator in your world. It's your game. Include whatever you want. Do you have tools? Others with you? Enemies? Companions?

CREATE YOUR WORLD

ADVANCED LEVEL

Imagine there is a challenge your avatar must complete to get to the next level. On a separate piece of paper, draw what your avatar must do to complete the level. Include anything your avatar needs to complete the challenge.
